Shalom Mr. Ehud Barak,

I am writing you in English so that our friends in the Far East can understand. Since our last correspondence was made from Singapore, and I wrote that when I return home I shall contact you and may be have a chance to meet and discuss our dear friend Mr. Eddy Sariaatmadja and also our dear Mr. Ziama Dibon זצ"ל. So, I am back home in Israel and my phone number is: 054-4622751 and the office number is: 02-6231019. At your convenience please call me and we can set a time for me to come down to Tel-Aviv and take you for lunch or dinner.

Blessings in all,

Joseph Shulam

Shalom Dear Eddy,

I thank you for forwarding Mr. Barak's e-mail to me. I will be in contact with Mr. Barak through e-mail after my return to Israel from the Far East. It was nice meeting with you and trying the Durian fruit with you and with our dear friend Raymond Goh. You and Raymond gave me the courage to try Durian again, and Raymond went one step further and made my wife and Office Manager that is staying in his house try the Durian. I suppose that with God's help one can develop a taste for Durian and enjoy it.

I do hope that you will visit me in Israel and that we can continue our discussion. I shall give at least some of my books to Raymond for you. However, I shall be in Singapore until November 25th and if you are again in Singapore you can call Raymond and we can meet face to face and I can give you my books in person. Please write me and let me know when you are going to visit Israel again so that

we can make plans to have time together and show you and share with you some of Israel's most treasured biblical places and some good Israeli food.

May the God of Israel bless you and your family and keep you healthy and strong,

Joseph Shulam

Hi Eddy
Ziama is a great person who happened to be a major source of inspiration for our whole generation of young leaders in Defense and Intelligence communities of the young state of Israel, because of his deep , action oriented understanding of our neighbors.
I'll be happy to meet Joseph. Best to you and your family. Best
